ANNOUNCEMENT TO OUR VALUED CUSTOMERS

This letter is to clarify the misinterpretation that Andy's Oilfield Hauling Ltd. is for sale. Andy's Oilfield Hauling Ltd. is NOT for sale. Due to the slowdown in the economy and especially with the Oilfield being hit the hardest the decision was made to sell the property.

Over the past year due to decreased sales we took immediate action to cut staff as many other businesses also have done. We are a small company and with the current downsizing we do not require the large size of the present facility.

We will strive to provide the the same service during our transistion to a new smaller facility, when the property sells.

We continue to have have key personnel that have been with us for over 10 years or more.

Providing you the customer, with up to date equipment, knowledge and safety.

If you have have any questions, please do not hesitate to call me Garry Johnson, President of Andy's Oilfield Hauling Ltd.

Sincerely

Garry Johnson
